### Brief Summary of Issue or Purpose of Delegation \*

Mr. Mayor, I am seeking your assistance please to help my wife and me in getting a sewer connection to our new home so we can move in.

When we sold 20 Archerhill Ct, Treasure Hill gave us 2 years to move. That time is up, and we have received clear and firm notice that we have to be out by March 31st.

Our new build at 130 Edward St will be ready except for a sewer connection. We started working with the Town on this since May 2022, and are yet unable to get agreement on how the connection will be done.

To summarize the situation:

1. Based on advice from our Engineers and Contractors, we are ready to run a the standard 125mm connection under the boulevard from our home to the Main at Cousins.
2. Instead we are being told that we have to pay for a full-blown 200mm Sewer Main under Edward St so that we can connect to it, and then it is handed over to the town.
3. If we were building multiple homes I can see how that could be justified. But to impose such a heavy burden on us just to get a single connection feels wrong and penal.

Below are emails between the Town, our Project Manager Frank D'Amico and me, with the essential details for your information.

Frank will call you on Monday to discuss further and to seek a way forward.

Thanks  
Oma Sewhdat
