## Memorandum

Planning and Development Services

---

**Re:** Active Transportation Master Plan Status Update

**To:** Active Transportation and Traffic Safety Advisory Committee

**From:** Michael Bat, Traffic/Transportation Analyst

**Date:** April 26, 2023

---

### Recommendation

1. That the memorandum regarding Active Transportation Master Plan Status Update be received; and
2. That the Active Transportation and Traffic Safety Advisory Committee comments regarding Active Transportation Master Plan Status Update be received and referred to staff for consideration and further action as appropriate.

### Background

As approved by Council as part of the 2021 Capital Budget process, the Town has initiated Capital Project No. 34562 – Active Transportation Master Plan. The key objective of the study is to review and assess the network plan, policies, and programs to support future growth and create a safe and well-connected active transportation network for all road users.

The capital project has been awarded to WSP. The study is currently underway, and the final study is expected to be completed in 2023.
