Brief Summary of Issue or Purpose of Delegation *

I wish to delegate at the April 26, Active Transportation Committee meeting , but I could not find their name in the Pull Down Menu.

1. A recognition be made by the Active Transportation Committee to council that Evan's Park is the southern trailhead of the Nokida Trail and as such requires clear and accessible parking.
2. A recommendation be made by the Active Transportation Committee to council that the proposed bylaw amendment restricting parking on Benville Crescent not be passed, and that the temporary no parking signs that are currently there, that were put up without council's approval, be immediately removed.
