## Motion

Notice given April 18, 2023

---

**Re:** Extend specific committees through Council term

**To:** Members of Council

**From:** Councillor Rachel Gilliland

**Date:** April 25, 2023

---

Whereas the Town of Aurora designated a special Heritage Conservation District, that the town and community take great pride in preserving; and

Whereas municipalities may establish a Heritage Advisory Committee and are required to establish an Accessibility Advisory Committee; and

Whereas each new term of Council, new committees are established, however, this has historically caused long gapping between meetings due to the Council change over resulting in applications without this review; and

Whereas other municipalities have chosen to continue some committee meetings until a new committee is appointed to avoid this gapping;

1. Now Therefore Be it Hereby Resolved That staff take the necessary steps to ensure that the Heritage Advisory Committee and Accessibility Advisory Committee continue on past the end of the Council term until a new committee is appointed.
