

The Corporation of the Town of Aurora

By-law Number XXXX-20

To authorize the expropriation of certain lands for the purpose of road widening and other road improvements, including the construction of a right-turn lane, at the northwest corner of Yonge Street and Wellington Street West, to accommodate The Corporation of the Town of Aurora's road widening project.

Whereas Sections 5(3) and 6(1) of the *Municipal Act, 2001*, S.O. 2001, c.25, as amended, require the council of a municipality to pass a by-law for acquiring or expropriating any land required for the purposes of the municipality;

And whereas the Council of The Corporation of the Town of Aurora (the "Town") has determined that it is necessary and in the interest of the Town to acquire the lands herein described for road widening purposes;

Now therefore the Council of The Corporation of the Town of Aurora hereby enacts as follows:

1. The Town, as expropriating authority, is hereby authorized to make application for approval to expropriate the lands required in connection with the Town's road widening project, being Parts 1 and 2 on the Preliminary plan of survey attached as Schedule "A" to this by-law for the purpose of road widening and other road improvements, including the construction of a right-turn lane.
2. The Mayor and Town Clerk are hereby authorized to execute, and caused to be served and published on behalf of the Town as expropriating authority, all notices, applications, advertisements and other documents required by the *Expropriations Act*, R.S.O. 1990, c.E.26, as amended, in a form approved by the Town Solicitor that in her opinion are necessary in order to effect the expropriation of the said lands.

Enacted by Town of Aurora Council this 15th day of December, 2020.

Michael de Rond, Town Clerk
