## Motion

Notice given September 5, 2023

---

**Re:** Gender-Based and Intimate Partner Violence Epidemic

**To:** Members of Council

**From:** Mayor Tom Mrakas

**Date:** September 26, 2023

---

Whereas 42 municipalities and regions including OBCM (Ontario Big City Mayors) and MARCO (Mayors and Regional Chairs of Ontario) members Ajax, Brampton, Burlington, Clarington, Hamilton, London, Oakville, Ottawa, Pickering, Whitby, Toronto, and Windsor, along with Peel, Durham and Halton Regions as well as Lanark County, Essex County and Renfrew County across Ontario have declared a gender-based violence and/or intimate partner violence epidemic (as of August 18, 2023); and

Whereas on August 16, 2023, Justice Minister Arif Virani described gender-based violence as “an epidemic” in the federal government’s formal response to a coroner’s inquest, also stating that his government is committed to ending the gender-based violence epidemic “in all its forms, and is working to address any gaps in the Criminal Code to ensure a robust justice system response”; and

Whereas by declaring gender-based violence and intimate partner violence an epidemic, the Town of Aurora can join the growing number of municipalities and regions in demanding action from all levels of government to address this growing epidemic; and

Whereas the incidences of gender-based violence and intimate partner violence increased exponentially throughout the COVID-19 pandemic and has not decreased, while funding to provide the growing demand of services and support for victims and survivors of intimate partner and gender-based violence has not kept pace;

1. Now Therefore Be It Hereby Resolved That the Town of Aurora declare gender-based violence and intimate partner violence an epidemic; and
2. Be It Further Resolved That the Town of Aurora recommend that gender-based violence and intimate partner violence be declared an epidemic in the Province of Ontario; and

3. Be It Further Resolved That the Town of Aurora Requests That the Federation of Canadian Municipalities (FCM), the Association of Municipalities of Ontario (AMO), and all municipalities and regions in Ontario declare a gender-based and intimate partner violence epidemic across the country; and
4. Be It Further Resolved That the Town of Aurora Requests That the provincial and federal governments enact the additional 85 recommendations from the inquest into the 2015 murders of Carol Culleton, Anastasia Kuzyk, and Nathalie Warmerdam in Renfrew County, Ontario, which provide a roadmap to preventing intimate partner violence from escalating to femicide; and
5. Be It Further Resolved That the Town of Aurora Requests That the federal government starts this enactment by adding the word Femicide as a term to the Criminal Code of Canada; and
6. Be It Further Resolved That the Town of Aurora Requests That the provincial and federal governments provide the necessary support to municipalities, regions, and their emergency and social services to meaningfully address the gender-based violence and intimate partner violence epidemic.
