Application to Recieve Funds

The Aurora Mayor's Charity Golf Classic has raised over \$1 million to date and has financially assisted several community organizations to provide much needed services to residents living in the Town of Aurora. Recipient selection is conducted annually by the application review and disbursement committee of the Town of Aurora Mayor's Charity Golf Classic and is based on the information provided in this application.

Funding Criteria and guidelines;

- Individual applicants and community groups must demonstrate financial hardship or a limited means to retain funds in another manner. Individual applications demonstrating financial hardship will be kept confidential.
- Individuals and organizations may not receive funding for more than two consecutive years.
- Funding requests for more than \$5,000 in a calendar year will not be accepted.
- Funding requests for more than 50% of an initiative will not be considered and applicants must demonstrate how the remaining funds will be or have been obtained
- Applications should demonstrate a benefit to the residents of the Town of Aurora that receiving the funding will provide
- Successful applicants will be required to report back in any way they deem appropriate regarding the utilization of funds within six (6) months of receiving funds

About Us:

Hope House Community Hospice *(formerly Hospice Aurora-King-Richmond Hill)*

Spearheaded from our head office located in Aurora, Hope House is a volunteer-driven community agency offering specialized services and support to those diagnosed with life-threatening illness, their family and caregivers, and those who are bereaved. Hope House has been an important service organization for those residing in Aurora for 41 years. The generous support of our donors and community partners allows us to offer all of our programs free of charge to participants. And we could not do this without your help.

The support that Hope House Community Hospice offers means that people do not have to face their journey through grief or critical illness alone – that they can have the supports and services of a team that are experts in providing hospice care, so that we can make that journey just a little bit easier, a little bit more supported and a little less scary – and that's what we do.

Hope House supports everyone of all ages - children, teens and adults. We provide professionally trained and compassionate visiting volunteers to clients in their homes, children's grief camps, caregiver and bereavement support – both 1-to-1 counselling and group, education and wellness programs. At Hope House the focus is on quality of life and support of the whole person.

Our Request:

Hike for Hope is part of a unique national fundraising initiative **Hike for Hospice** which raises funds and awareness in communities across Canada to support hospice care services. Hope House Hospice's annual Hike for Hope brings together hundreds of participants - volunteers, clients, caregivers, friends and families - as they walk to in memory of someone special, or in support of our hospice programs in their communities. This year's hike is taking place on June 1st, 2024 at Lambert Willson Park in Aurora, with a start time of 11 a.m.

With limited government funding, Hope House must fundraise 65% of our budget to maintain the important services provided to our growing community. Like many charities, fundraising has been extremely challenging and funds raised through our Hike for Hope allow us to continue offering the programs needed by our residents.

Our request to the Aurora Mayor Golf Classic is for \$2,500 in funding towards support of our Hike For Hope. Your support will contribute greatly towards helping us reach our fundraising goal of \$25,000 for the Hike in 2024. To reach our goal, we will secure additional support through sponsorship and peer-to-peer fundraising for the event.

This year, the funds raised will go towards Hope House's "Picking Up the Pieces" (PUP) program, a 9-week group program unique to Hope House that provides specialized support to those who are coping with life after finishing cancer treatment, free of charge for all participants.

PUP provides participants with an opportunity to meet with others that have face a similar diagnosis to share stories, feelings and concerns. Under the guidance of an experienced professional, clients find support and information in a safe and welcoming environment. This program is unique to Hope House, and unique in our community.

For many Aurora residents Hope House provides access, close to home, to specialized and unique hospice programs and supports. You can see how your funding will help support some of our community's most vulnerable people and we want to thank you for that.

Thank you for your consideration.

Sincerely,

Rhonda

ABOUT HOPE HOUSE COMMUNITY HOSPICE

Hope House is a volunteer-driven community organization offering specialized services and support to those diagnosed with life-threatening illness, their family and caregivers, and those who are bereaved. The generous support of our donors and community partners allow us to offer all programs at no cost.

Hope House **relies on ongoing donations** to help with expenses not covered by government funding. Approximately 60% of our operating budget is covered by donations.

Your support makes a **big difference** for our clients and families. You help provides meals to clients and caregivers, Grief Buster Summer Camps for children and

youth, wellness programs for those diagnosed with a life-threatening illness, support for those coping with the death of a loved one and you help cover other operating costs.
