To Whom It May Concern,

The Aurora Cares Community Action Team was originally created during the COVID-19 pandemic to support residents experiencing homelessness, seniors, people living with disabilities and those who rely on food banks. As the pandemic subsided, the Action Team paused its work, but has now been reestablished to provide ongoing support to community members.

The Action Team's inaugural meeting was held on May 13<sup>th</sup> and discussed new ways to connect vulnerable community members to available services, as well as provide any potential in-kind supports. The Action Team also discussed revising the resource guide it developed during COVID-19 to include updated information and links and include housing supports for those that need assistance.

In order to be prepared for any costs associated with providing these supports we are seeking \$5,000 from the Mayor's Golf Classic Funds Committee to assist with initiatives of the Aurora Cares Community Action Team.

I thank you for your consideration and look forward to your response.

Doug Steele  
Vice-Chair, Aurora Cares Community Action Team
