## 8. Informational Items

### 8.1 Memorandum from Manager of Parks and Fleet; Re: Aurora Forest Study Recommended Policy Updates

Staff briefly provided an update on the Aurora Forest Study and highlighted updating current policies to make an immediate impact on protecting the tree canopy and urban forestry.

The Committee and staff discussed key topics including how tree canopy goals will be achieved, the study's targeted implementation date of 3-5 years and how the set targets will be achieved, the possibility of increasing the fees to cut down trees, plans to incentivize private landowners, how maintenance of the mature tree canopy can be achieved with an increase in resources, further enforcement to ensure that developers are meeting the requirements of planting trees, and support was expressed by the Committee to continue to manage emerald ash borer impact on Aurora's ash trees. It was further recommended to staff to examine non-profit organizations and their sponsorships to plant trees in support of the tree canopy.

The Committee inquired about the timeline of when the reports will be presented to Council, and staff provided an answer.
