**Brief Summary of Issue or Purpose of Delegation \***

there are a number of concerns about the Yonge Street transitional housing project. I would like to address the community's concerns, and add to the present discourse on why the proposed site on Yonge St. would not be in the best interests of all stakeholders.

A. Here are potential consequences that have been raised (FOR/AGAINST):

1. property values
2. crime rates
3. safety concerns
4. Discrimination in delaying housing and services (OHRC) and going forward with the site specified on Yonge st.

B. As Proud Aurorans we MUST COMMIT TO:

1. Balance Interests -Site relocation would better meet the needs of all stakeholders involved
2. Community Engagement - actively involving community members demonstrates commitment to inclusivity and transparency. By working together we can find a mutually agreeable location that respects the rights and needs of all parties involved.
