Brief Summary of Issue or Purpose of Delegation *

Sean Slater, President and CEO of Excellence Canada, will present the prestigious Organizational Excellence Standard (OES) Platinum Certificate. This milestone presentation recognizes Aurora's groundbreaking achievement as the first municipality in Canada to attain OES Platinum certification, a rigorous recognition earned through over a decade of progressive excellence—from Bronze in 2014 to Silver in 2019, Gold in 2022, and now Platinum in 2025.

Achieving OES Platinum signifies that the Town has embedded sustainable, world-class practices across its operations, delivering measurable, long-term outcomes in service excellence, continuous improvement, and a thriving workplace culture. It validates the Town's commitment to proactive strategies that enhance community well-being, fiscal responsibility, and innovative infrastructure—like the Aurora Town Square redevelopment and expansions at the Stronach Aurora Recreation Complex—while fostering a high-performing organization that benefits residents, staff, and the broader York Region. This honour not only elevates Aurora's national profile but also inspires other municipalities to pursue similar paths to excellence.
