Why Fundraise

Funds raised through participant/team pledges help to support the most urgent needs for patient care at Southlake Health.

Fundraising for the Nature's Emporium *Run for Southlake* helps to put the right tools in the hands of our clinical experts so when you or loved one need care, they are ready.

Fundraising also supports new or renovated spaces in the hospital to deliver exceptional care and spaces where our patients can heal.

By participating and fundraising, our community is able to show their gratitude to the dedicated clinicians and hospital staff of Southlake Health.

“For the incredible care my mother received during knee surgery”

“For my dad’s compassionate cancer treatment and follow-up care.”

“For the amazing team that delivered my son into the world!”
