Dear Community Partner,

At Highview Public School, we are proud to serve a diverse and caring community of students. For many of our children, however, access to a consistent and nutritious lunch is not something they can always count on.

Our school lunch program ensures that students who may otherwise go without food during the school day receive a healthy meal. This support allows them to focus on learning, feel included among their peers, and participate fully in their day at school.

Unfortunately, the need continues to grow. Each week, more students rely on the program, and we are working hard to ensure that every child who needs support receives it with dignity and without stigma.

We are reaching out to our community members to see who is willing to support this initiative. Donations to our lunch program go directly towards providing nutritious meals and snacks for students who need them most.

Your generosity, no matter the amount, can make a meaningful difference in the daily lives of our children.

Thank you for considering this opportunity to support our students and strengthen our community.

With Appreciation.
