**Brief Summary of Issue or Purpose of Delegation \***

The purpose of this delegation is to introduce the Enable Canada Tour, an awareness initiative organized by Enabled Talent that focuses on accessibility, inclusive employment, and strengthening opportunities for persons with disabilities within communities across Ontario.

The tour began around International Day of Persons with Disabilities in Niagara and has since gradually been hosted in several communities to raise awareness and encourage collaboration between municipalities, employers, community organizations, and educational institutions on inclusive hiring practices.

Through this delegation, we would like to briefly share the initiative with the Town of Aurora and explore the possibility of hosting an Enable Canada Tour session in the community, either virtually or in person. The session would focus on raising awareness about accessibility and inclusive employment while encouraging dialogue and collaboration with local stakeholders.
