Agenda item 10 : 10.1 Snow Windrow Assistance Program

Brief Summary of Issue or Purpose of Delegation *

The windrow, at times, can be excessive. When this happens the blockage makes it impossible for people requiring assistance to enter or leave their driveway. Even if they pay for snow removal the plow schedule is unpredictable which makes dealing with the windrow difficult. Especially when it's over a foot high and freezes over night. The city should strongly consider an assistance program for people who have valid reasons.
